*In Business Since 1982*

At Selk Electronics, Inc., we strive to provide our customers with the fastest and most reliable internet options available to rural Central Wisconsin. Our hometown small-business approach helps us provide a personable experience while being a Selk Electronics customer.

With the acquisition of additional bandwidth, and equipment upgrades in most areas; we are proud to offer you additional bandwidth at reduced rates. If you would like to take advantage of this offer, please find the enclosed agreement and fill out the Download/Upload Speed, sign, print, and date at the bottom; and return back to us! Please keep a copy for your records. Once we receive your agreement, please allow 2-3 business days for your new speed to take effect.

<b>DOWNLOAD/UPLOAD SPEED</b>	<b>MONTHLY PRICE</b>	<b>ANNUAL PRICE</b>
1Mb/512Kb (.5Mb)	\$29.99	\$329.89
2Mb/768Kb (.75Mb)	\$39.99	\$439.89
*3Mb/1Mb	\$49.99	\$549.89
*5Mb/2Mb	\$59.99	\$659.89
*7Mb/2Mb	\$69.99	\$769.89

*\*These speeds may require a site evaluation to determine if that particular speed is available in your area. If new equipment is required, current customers will be charge a one-time \$49.99 technician fee for installation and set-up of new equipment. Please call us before sending in a contract for these speeds.*
