DISH is a trademark of DISH Network L.L.C. For purposes of this Rate Card only, DISH shall mean DISH Network L.L.C. Programming services must be based on 100% of the subscriber units at the property and a minimum of ten (10) rooms/units. "Total Rooms/Units" means: (i) for a Guest Property other than a hospital and other healthcare facility (e.g., hotel, motel, resort, timeshare and inn), the total number of guest rooms available for occupancy; (ii) for a Guest Property that is a hospital or other healthcare facility, the total number of television outlets through which video programming may be delivered (by way of example and without limitation each coaxial cable outlet) located in patient rooms; (iii) for a bulk-billed MDU Property located at a college, university, or convent, or a bulk-billed MDU Property that is a dormitory, apartment building, condominium complex, retirement community, multifamily living establishment or other similar type residence, the total number of housing units available for occupancy; (iv) for a bulk-billed MDU Property that is a mobile home park, campground, RV park, marina or other similar type property, the total number of spaces available for occupancy; and (v) for a bulk-billed MDU Property that is a prison or other type of correctional facility, the total number of television outlets through which video programming may be delivered (by way of example and without limitation each coaxial cable outlet) located on the property.

With the exception of ESPN, a bulk property does not have to display all programming services in a package. Blackout restrictions may apply. Programming prices/rates and packages are subject to change without notice at any time and from time to time in the sole and absolute discretion of DISH for any reason or no reason.

Blackout restrictions and other conditions apply to sports programming.

Limit one (1) Local Network package per eligible bulk property address. Programming services may vary by market. Local Networks are subject to change without notice. Under FCC regulations, Local Networks by satellite are only available to customers who reside in the specified local Designated Market Area (DMA). Local Networks are only offered in specified areas and may be provided through an outdoor antenna or a local dish antenna.
